For the Council

Housatonic Council, BSA Honor Unit Award

The Honor Unit Award was created to issue a challenge to every Unit in the Council. The areas that were identified, which need the most attention from our Units, include Fundraising, Membership, Program and Training. The requirements necessary to qualify for this award are indeed, most difficult and challenging. In order for a Unit to achieve their goals, the Unit Leaders will have to work closely with the Unit Commissioner, who then oversees and evaluates the Unit's progress.

To complete this form:

- Please write the numbers of points for each requirement you have met and add them at the bottom of the form.
- When requested, please provide us with the necessary information (ie. name, date, activity) on the line beside the requirement.
- Review form with your Unit Commissioner and submit to the Council Service Center by December 31st.
- If you have any questions regarding the award, please contact your Unit Commissioner. If you do not have your Unit Commissioner's contact information, you can find it on our website www.housatonicbsa.org under the Commissioner Corner.
