## Boy Scouts of America

### Babies and Small Children at Camp Policy

#### Purpose

The purpose of this policy is to ensure the safety of our Scout's family members while they are visiting our camping grounds.

#### Policy

The policy states that visitors who visit camp for the day can bring small children. However, if a visitor is staying overnight, that person becomes a leader. The only children that will be allowed to stay will be a child of registered scout age. Babies and small children are to be kept away from the activity station areas.

When a visitor stays overnight, he/she becomes a leader and that person needs to be registered at camp and have a physical form (Class 1). The child of scout age also needs to be registered and have a physical form (Class 1).
