

HOUSATONIC COUNCIL

Boy Scouts of America

Vehicle Use at Camp Policy

Purpose

The purpose of this policy is to ensure the safety of our Scouts while attending camp and camp activities. This policy also serves as a reminder of the Council's liability for any accidents involving camp vehicles.

Policy

The camp has two trucks, which are both presently running. The people that will be allowed to drive these trucks need to be an Adult Leader or Staff at least 21 years of age. These vehicles are not registered and cannot be driven off camp property.

No one is allowed to ride in the back of any of the trucks for any reason. Anyone who is caught driving people in the back of the trucks will no longer be allowed to use the vehicles.
