

Come have fun and join...

# CUB SCOUTS

You and your son can be a part of the fun by joining Cub Scouts. It also gives you the opportunity to do something that will make a difference in you son's life and others. Cub Scouts do lots of fun things with other kids, like go on exciting trips and see amazing things. They even get to wear a cool uniform! They can go to camp during the summer and learn how to play all kinds of sports and build things, like racecars and birdhouses. Sound interesting? Want to learn more?
