Gerald Davino

Dear Eagle Scout Gerald Davino,

The National Eagle Scout Association has launched an important Eagle Search project culminating in the *Eagle Scout Roll of Honor*.

Please call 1-877-692-6058 in the next 7 days to help ensure your record – then and now – will be accurately reflected.

This *Roll of Honor* will be the first-ever registration and publication of its kind – capturing nearly 100 years of Eagle Scout history, tradition, service and achievement.

To help us locate all Eagle Scouts and to produce the *Eagle Scout Roll of Honor*, we have partnered with the research and publication experts at Harris Connect, Inc. Please confirm your record by calling 1-877-692-6058 in the next 7 days. For more information on the Eagle Scout Registry, visit <http://www.nesa.org/misc/essearch.html>.

Sincerely,

Bill Steele
 NESA National Director
